

Sahyadri College's innovation council gets MHRD certification

SPECIAL CORRESPONDENT

Sahyadri College of Engineering and Management, Mangaluru, has been selected for establishing an Insti-

tute Innovation Council (IIC) as per the norms and direc-tives of the Innovation Cell, Union Ministry of Human Resource Development.

A release from the college

said Union HRD Minister Prakash Javadekar launched the IIC programme under the Innovation Cell of MHRD at the All-India Council for Technical Education (AICTE) headquarters in New Delhi on Wednesday.

He said that now Indian universities were also setting up research centres through the IIC programme. He also said advancement in higher education could only be achieved by encouraging the best practices in innovation and advanced research, for which the Innovation Cell has undertaken many initia-tives such as Atal Ranking of Institutions on Innovation Achievement (ARIIA) and Smart India Hackathon (SIH)-2019.
