Hack Club

To Whomsoever It May Concern,

I'm pleased to confirm that **Swasthik Shetty, Rachitha Rai and Suhan Acharya** are the official Hack Club leaders during the 2020 - 2021 academic year. This means that they have submitted an application to start a Hack Club, gone through our interview process, and been accepted. Their Hack Club chapter at **Sahyadri College Of Engineering and Management** will be officially supported by Hack Club global.

Regards,
Athul Blesson
