Sahyadri Campus, Adyar, Mangalore - 575007, Karnataka, India.

# Two-Day Training Programme on Post Graduate Common Entrance Test (PGCET) for MBA

*...empowering young minds*

## Introduction

Masters of Business Administration (MBA) is one of the most sought after qualification in India. It provides great learning opportunities across various facets of business. PGCET - MBA entrance exam has become a compulsory requirement to gain admission to Master of Business Administration (MBA) courses in Management institutes of Karnataka under Government Quota.

## About PGCET

The duration of PGCET is two hours and will contain 100 questions of one mark each, covering English Language Proficiency, General Knowledge, Logical Reasoning and Quantitative Analysis. In this context, a special training programme has been designed by the Department of Business Administration of Sahyadri College of Engineering & Management to assist MBA aspirants to prepare for PGCET.

## About the Training

The duration of the training is two days and is scheduled during June 15th - June 16th 2017 at Sahyadri Campus between 9am – 5pm. Experts from both industry and academia will conduct the training on the four main areas of the test. Mock tests will be conducted during the training to enable the students to score high marks. Additionally, counselling sessions are also given to all participants to write PGCET conducted by the Government of Karnataka.

## Registration

Interested students should register their names online on or before 30th May 2017 through http://sahyadri.edu.in/mba/pgcet.php.

You can also register by visiting Sahyadri MBA Office or send an email to mbapgcet@sahyadri.edu.in

NOTE: Registration Fee is Rs. 200. (Free Accommodation shall be provided for out-station participants)
