

Donation of Engineering Breakthroughs

Donation of Engineering Breakthroughs

1. Statement - What A Dual Waste
2. Creation - Solar Wing for Hovering Aircrafts
3. Discovery - BodyPhone & BdyEye
4. Proposal - Massive utilisation of recycled plastic waste
5. Creation - Worm Rabbit Drive
6. Derivation - GEM of Karkera
7. Redefinition - Energy by "GEM-K"
8. Invention - Sailing Saucer
9. Innovation - Mumbai Rail-Road Surface-Tunnel
10. Research - EHV-EHP DC National Grid
11. Outline - Satellite to Ground Free-Space Optics
12. Concept - Mobile Battle Station

Donor **Professor B. Narayana Karkera**
being honoured for inventions

Occasions/dates/highlights of these breakthroughs :

- 1. "What A Dual Waste" + "Isotopic Ground Water Management"**
 - on 100th year of Sir Visvesvaraya's statement: "What A Waste".
- 2. "Solar Wing for Hovering Aircrafts"**
 - on 114th year of Wright Brothers' invention of aircrafts.
- 3. "BodyPhone" and new initiative "BodyEye"**
 - two more senses, beyond known five senses in 2002 & 2009?.
- 4. Utilisation of once recycled plastic waste**
 - @ rate >> its generation
- 5. "Worm Rabbit Drive" - 2004**
 - Worm-Rack Mechanism/Pressure-Film Lubrication. Patented.
- 6. "GEM of Karkera" - 2010 {General Equation of Motionless & Motion}**
 - after 350 years of Sir Isaac Newton's 2nd Laws of Motion.

Occasions/dates/highlights of these breakthroughs :

- 7. Energy by "GEM-K" - 2015**
 - Redefined Albert Einstein's Flat-Space + Energy Creation Unit.
- 8. Sailing Saucer"**
 - Primary Invention of Sea World - Awaiting since Pre-Stone Age.
- 9. "Mumbai Rail-Road Surface Tunnel for a Century"**
 - Double Deck Platform with Connected Parking Floor + Freeway + +.
- 10. "EHV-EHP DC National Grid"**
 - 1,000+ kV, Cross-Linked 300+ mm Cable, 10+ kA, 10+ GW.
- 11. Satellite to Ground Free-Space Optics**
 - 10,000 times more data rate than current signal rate.
- 12. Mobile Battle Station**
 - Surprise behind enemy line
